CHRISTMAS 2007

Last year our Adopt A Family Special Program brought so many smiles and much joy to our surviving families and this year we will be allowing others to help bring the spirit of the season to these deserving families again.

If you are interested in helping our families we are accepting gift cards, donations and will our volunteers will do the shopping for the families. For those interested, please email us so we can let you know how the program will work this year.

Our families are putting together their wish lists now and we want to make sure you are involved as we thank them for their own and their loved ones sacrifice.

Email us at info@cfsrf.org and make sure to put Adopt A Family on the subject line.

Or you can send in your gift cards (include a copy of your receipt), donate online or

mail your checks to us (memo: Adopt A Family) at:
