The Children of Fallen Soldiers Relief Fund announces their largest contribution received to date from fundraising activities held by Clark Pinnacle Family Communities. Clark Realty Capital, Pinnacle, Clark Realty Builders and their generous sponsors. Clark Pinnacle held their Third Annual Clark Pinnacle Charity Golf Classic at Fort Belvoir on August 10, 2006 and raised funds that will help provide support to the CFSRF as well as two other local non-profit organizations. Each organization received \$41,667.00 from the efforts of Clark Pinnacle.

“Our continued commitment to not only build and manage new homes but also contribute to the Belvoir community enabled us to draw on the resources of our partners and surpass last year’s record fundraising total, “ said Casey Nolan, project director for the event.

More than 200 golfers participated in the four-person scramble which raised \$125,000 for the Fort Belvoir Chapter of USO, Fort Belvoir Chaplain Family Life Center and Children of Fallen Soldiers Relief Fund. Clark Pinnacle is working in unison with Fort Belvoir and the Department of the Army to design, construct, and operate military family housing communities at Fort Belvoir. Clark Pinnacle is a joint venture between Clark Realty Capital, an award-winning real estate development and construction firm in Bethesda, Md., and Pinnacle, an American Management Services Company, of Seattle.

“Through the generosity of our many sponsors, we are able to give back to organizations that support Army families here and the soldiers who are deployed,” said Casey Nolan, development executive for Clark Realty Capital. “We hope these contributions go a long way toward making Soldiers and their families feel more at home and supported in times of need.”

“Our freedom is a gift guaranteed by all who serve in our military. Clark Pinnacle and associates help make it possible for us to deliver on our mission to give back to the children of fallen soldiers,” said Becky Campbell, founder and CEO of the Children of Fallen Soldiers Relief Fund.

Surviving military families and severely wounded veterans that are in need of financial assistance or college grants and are from within the Fort Belvoir community are encouraged to visit the Children of Fallen Soldiers Relief Fund website at: [www.cfsrf.org](http://www.cfsrf.org) for more information and to obtain applications.
