[Green Beans Coffee](#) supports the Children of Fallen Soldiers Relief Fund by donating \$20,000.00 to assist us them in their efforts to provide financial support to surviving U.S. military families affected by a loss or a severely wounded service member.

[Green Beans Coffee Company](#) was created with a clear vision and mission: To offer the U.S. armed forces stationed throughout the globe the best-quality coffee beverages; to serve them exclusively; and to create a place for them to relax and feel at home.

Their commitment to serving members of the U.S. military led them to establish cafes in some of the most challenging locations in the world. This makes them one-of-a-kind in their commitment to serve our men and women in uniform.

They understand the importance of morale and creating a place for our military forces to unwind after an intense day. As an American company devoted to the U.S. armed forces, they truly want to understand the needs of members of the military community and are committed to fulfilling them.

“We are honored to be associated with Green Beans Coffee, their commitment and dedication to serving our troops overseas should not go unnoticed,” said Rebecca Campbell, founder of Children of Fallen Soldiers Relief Fund. “They put their own lives at risk in order to bring a little bit of home to those in service and we support them in their efforts,” she continued.

Green Beans Coffee has recently announced their **Buy A Card** program, which allows others to give back to one or many of our brave service members or contractors abroad. A Green Beans Coffee Card is easier to carry than cash and when the balance runs low, additional funds can be added. It's a convenient and nearly instant way to say 'thank you' and doesn't require postage or customs forms! To purchase a coffee card for someone you love who is serving overseas or for any of our troops or contractors, please visit them at: www.greenbeanscoffee.com. Currently, gift cards can be purchased at the following locations, or for soldiers stationed there:
