To Whom This May Concern:

Children of Fallen Soldiers Relief Fund (CFSRF) is excited to announce a new scholarship fund specifically for the children of fallen service men and women that have served in OIF, OEF or the Gulf War. These students must reside in the District of Columbia, Maryland or Virginia area and are currently attending, have applied or been accepted to a college or university and will be STEM (science, technology, engineering or mathematics) majors. This scholarship fund is being offered due to a generous grant from the Bethesda Chapter of the Armed Forces Communications and Electronics Association (AFCEA). CFSRF is currently accepting applications for students attending classes this Fall 2015. The value of each scholarship is up to \$3,500 per semester. To apply, please contact us at 301-685-3421 for an application. Applications must be received by our April 30th and October 30th deadlines.

The Children of Fallen Soldiers Relief Fund is a 501 (c) 3 non-profit organization that provides financial, educational and emotional support to U.S. military children and spouses affected by the war on terrorism or the Gulf war. CFSRF was founded in 2003 to honor our service men and women who have made the ultimate sacrifice for our continued freedom. For more information, please visit www.cfsrf.org.
